Dear Ms. Timm,

Thank you for your July donations of 62.5 pounds of vegetables for the North/Northwest Regions food pantry at the Catholic Charities office in Des Plaines. Your support helps us fight hunger in the north suburbs.

Our Des Plaines pantry provides nutritious food to families and individuals who may not know how they're going to put dinner on the table tonight, or buy groceries next week. We provide canned and dry goods, fresh fruit and vegetables, meat, bread, eggs and dairy products to nearly 5,000 households with more than 18,000 residents every year. Each household gets a four-day supply of food, meaning we distribute nearly 220,000 meals per year.

Your donation provides not only a wider variety of nutritious food to those in need, but also encouragement and hope. When an immediate need for food is met, there is breathing room and renewed strength to face other challenges.

Thank you again for your support. With your help, we are making a difference in the lives of those in need.

Regards,

Adriana S. Kelly
